Any isometric style

Not just our sets. We can work in any similar isometric pixel style: a new set, another theme or a look of your own, at the same prices. A new style starts with one sample piece to agree the look.

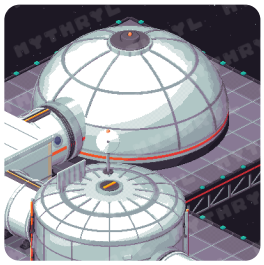

Dark Fantasy

Farm

City

Space Colony

Colour variant	Another colour of a piece you ordered	$3
Ground tile	A new ground with its edges	$5
Extra outfit	Another look for a character set	$15
Extra weapon	Another weapon for a character set	$5

Licence

Our standard pack licence applies. Full terms come in LICENSE.txt with the files.

Standard

Non-exclusive — **Included**

- Use in any number of commercial and free projects, and sell them.
- Edit, recolour and combine the pieces freely.
- Don't resell or share the files, edited or not.
- We may add the pieces to our own sets later.

Exclusive

Yours alone — **2× price**

- Everything in Standard.
- We never sell, share or add the pieces to our sets.
- Only you can ship them.

Terms

- Minimum order $50.
- Half up front, half when the work is done.
- The deposit isn't refundable once work has started.
- Two rounds of changes included, then $5 a piece.
- Timing depends on the number of pieces and our availability.

How it works

- Send what you need, the set or style to match, and any references.
- Get a quote based on this sheet and pay half to start.
- See each piece, ask for changes, then pay the balance for the files.
